Deputy Chief, D/M

20 June 1957

Chief, M/S

Evaluation of [REDACTED]

25X1X71

a. Is of value in furnishing items not found in other source material. As an example, this office has recently requested the loan of the November 1956 issue of Journal of American Society of Naval Engineers for an article "Soviet Maritime Fuels". [REDACTED]

25X1X71

25X1X71

b. It is estimated at least one-third to one-half of the material pertaining to the responsibility of this office is new or not supplied by other sources.

c. No suggestions on format, the present practice of giving a brief digest of the subject matter of each item is excellent.
